Re: Church of Scientology of California and
Mary Sue Hubbard, et al. v. Gerald Armstrong

Dear Michael:

I enclose a copy of the reply brief. I am at a loss as to why you did not receive it earlier. Please accept my apologies.

I assume from the fact that I have not heard from you further that we have reached a dead end in terms of trying to settle this matter. That is probably unfortunate, but also probably inevitable. If there is any room for further discussions, please do not hesitate to call me.

Very truly yours,

Eric M. Lieberman
